

Bonus Volume

Bonus Volume are additional ready-to-use volumes that were created while making various videos for my speed design channel. Now, thanks to Drag&Drop Volume, you can achieve lighting and post-processing like in the videos below with one click. Just select the appropriate Volume and then move it to the scene.

Volume list

Below is a list of volumes with links to the related videos.

Abandoned Mansion - <https://youtu.be/4VoUfT3TPAU>

Abandoned Shelter - <https://youtu.be/ptR-KW5DN6Q>
